

SUMMARY

A dedicated and skilled individual with exceptional time management and organizational abilities. Currently completing the final year of a Computer Science and Engineering degree, with a strong passion for continuous learning and self-improvement. Approaches challenges with a positive mindset and effectively communicates with people across various levels. Possesses a proven ability to analyze and resolve issues professionally and efficiently.

EDUCATION

BE Computer Science and Engineering

Cambridge Institute of Technology Bengaluru

9.1 CGPA

2021-2025

Pre-University Course (PUC), PCMB

Akshara Pre University college, Shikaripura

93.16%

2019-2021

Secondary School Leaving Certificate (SSLC)

Government Junior college, Shikaripura

88.00%

2018-2019

INTERNSHIPS

Wipro TalentNext course | May 2024 – September 2024

Completed Wipro TalentNext certification in .NET Full Stack Development focusing on C#, ASP.NET, front-end technologies, and database management.

Indian Tech-Keys | October 2022 - November 2022

Completed FullStack Web Development using Python Programming.

TECHNICAL SKILL

Languages: Python, C, C++, Java (Basic), HTML, CSS, SQL

Tools: Arduino IDE, Raspberry Pi OS, Jupyter Notebook, VSCode, Streamlit

Frameworks/Libraries: Django

Tools: Jupyter Notebook, Spyder, VSCode

PROJECTS

1. IoT-Based Water Level Indicator - Arduino, Ultrasonic Sensor, Wi-Fi Module

Developed a water level monitoring system using Arduino and ultrasonic sensors to detect water levels and send alerts when low.

2. Automatic Door Bell with Face Recognition - Raspberry Pi, Camera Module, Speaker

Designed an intelligent doorbell system using Raspberry Pi and a camera module to recognize faces and trigger alerts.

3. Smart Home Automation System - Raspberry Pi, Arduino, Relays, Sensors (temperature, motion, light)

Created a smart home automation system enabling remote control of appliances through a mobile app and voice commands.

CERTIFICATIONS

1. Wipro Talentnext -.NET Full Stack Development

2. HackerRank – Python basic Certificate

3. Infosys Springboard Artificial intelligence foundation certificate

4. Infosys Springboard Python

5. Infosys Springboard data science with python

6. Infosys Springboard applied Generative AI

7. Build Natural Language Processing in Microsoft Azure

CAREER SKILLS

- Problem Solving
- Research Analysis
- Teamwork
- Effective communication

AREA OF INTEREST

- AI and ML
- Software engineering
- Data Science
- DatabaseManagement

HOBBIES

- Singing
- Dancing
- Cooking

LANGUAGES

- Kannada, English
